Team Selection:

Top 4 AA scores will make the team.

5th spot will be the athlete that contributes the highest amount of points based on the estimated 4-man team score.

6th spot will be the athlete that now contributes to the recalculated highest 5-man team.

Alternates: Remaining athletes will be considered as alternates, if there is an injury to a team member, the athlete that best contributes to the remaining team score will be selected.
